

The Brothers Dispatch

All the News That's Fit to Print For and About Brothers Employees

Spring 2010

Circulation: 75 Issue 3 Volume 3 Established in 2009

141 Brothers employees and family members attend The Walk To Cure Diabetes, Saturday, April 17, 2010 at Carowinds. Record \$29,854 collected!

Carowinds, Fort Mill, SC- It was a fun Family Day that began with The Walk To Cure Diabetes followed by a full day at Carowinds. Brothers employees hit their original goal and one of the promises made was that "Duck" Costner shave his head. In the photo (shown at left), you can see that he lived up to his word as he is standing with his daughter, Hannah, our JDRF team captain. The weather was beautiful as 141 Brothers employees and family members had a Bar-B-Q lunch as they witnessed "Duck" getting his head shaved.

Would you ride "The Intimidator"? Some of Brothers employees and their families did.
