

# STAY WARM SAVE BIG

LIMITED TIME OFFER

# \$198\*

\*price per system

ON OUR **ULTIMATE**  
MOST COMPREHENSIVE  
HEATING SYSTEM TUNE UP &  
DEEP CLEANING

Unlike the other guys, we do an extensive tune-up & cleaning, ensuring your system is properly serviced to extend the life of your unit, restore to factory specs, ensure your family's safety and lower your energy costs. If these steps are not done, you'll waste your money if you pay someone to just "clean" your unit.

## FULL SYSTEM GUARANTEE\*

\*If your heating system breaks this heating season your service diagnostic call will be free. You just pay for any needed repair!

## Includes:

1. Clean gas burners \*\*
2. Clean blower wheel
3. Oil all motors (if applicable)
4. Check heat exchanger
5. Check for proper air flow
6. Inspect duct system
7. Check temperature rise
8. Clean thermo couple (if applicable)
9. Test phase shifters
10. Replace customer supplied filter
11. Clean outdoor coil if heat pump
12. Check for proper Freon if heat pump
13. Check all controls for proper operation
14. Test & check safety controls

\*\* Other heating companies usually charge extra to clean your burners at an add on charge of \$89 to \$129. Most charge extra to clean the blower wheel at \$89 to \$129. That makes their heating tune-up cost over \$300. WE HAVE NO HIDDEN CHARGES AT BROTHERS.

ONLY \$198\* \*price per system

Ultimate Heating system tune-up & cleaning for all gas furnaces & heat pumps
