

**1800HP Series 18 SEER Heat Pump**

The EnergyMiser™ brand 18 SEER Heat Pump has the best warranty in the heat pump and air conditioning business. The compressor in your new 18 SEER heat pump system is covered by a Lifetime Limited Warranty. If the compressor ever fails, a new condensing unit will be provided to the original purchaser of the EnergyMiser™ heat pump system as long as they live in the same single-family residence. All remaining functional parts are covered by a 10-Year Limited Warranty.

**Saves Up to 55%\*  
On Your Energy Costs!**

\*Based comparison of standard 10 Seer equipment

**Limited Lifetime Replacement Warranty\*\*  
of the entire unit if the compressor fails**

EnergyMiser™ is a trademark of Brothers Air and Heat Inc. Units produced by the Amana® division of Goodman Company, LP

- Uses R-410A environmentally friendly refrigerant
- Two-Stage high-efficiency Comfort-Miser™ scroll compressor
- Comfort-Miser™ compressor Alert Diagnostics
- Unique EnergyMiser™ Sound Control Top for Quiet Operation
- High- and low-pressure switches
- Quiet operation ensured by a high-density foam compressor sound blanket
- Super-efficient Condenser Fan Motor and heavy-gauge, coated wire fan grille results in low fan operating sound
- Tightly spaced, heavy-gauge, steel louver grille protects the coil from inadvertent damage, vandalism and inclement weather, while allowing excellent access for cleaning
- Factory-installed, bi-flow liquid line filter drier keeps moisture and dirt out of the system for a long and reliable system life
- Service valves with sweat connections and gauge ports provide years of reliable, leak-free use
- Copper tube/enhanced aluminum fin coil
- Durable, long-lasting baked-on powder painted steel cabinet provides superior UV and rust protection
- Performance certified in accordance with the Air Conditioning and Refrigeration Institute and Electronic Testing Laboratories
