Response to Tommie Jordan's Service...

Grocery List

(Sing to chorus of Rescue Me.)

Tommie rescued me!

He held it in his arms.

He rescued me!

The leaky pipe is gone!

Tommie rescued me!

The toilet flushes fine!

He rescued me!

The shower works so grand!

Tommie rescued me!

The Story:

It was a dark and "waterfull" leak
as a bath renovation suddenly turned
to the worse. I was a desperate
housewife! So I picked up the phone
and called Brothers. Tommie knocked on
the door with a smile. He looked at
the problem and knew instantly what
to do! Tommie even had everything he
needed to make the repair. Tommie
was more than just a plumber! His
passion for his work was seen in the
quality service he completed. I can
always trust Brothers! Especially Tommie!
Please recognize him for outstanding service!
